About Preservation on Main Street

Preservation on Main Street is an annual conference co-hosted by the Florida Division of Historical Resources and Florida Trust for Historic Preservation. It aims to bring together preservationists and Main Street Communities and illustrate that historic preservation and economic revitalization are interconnected.

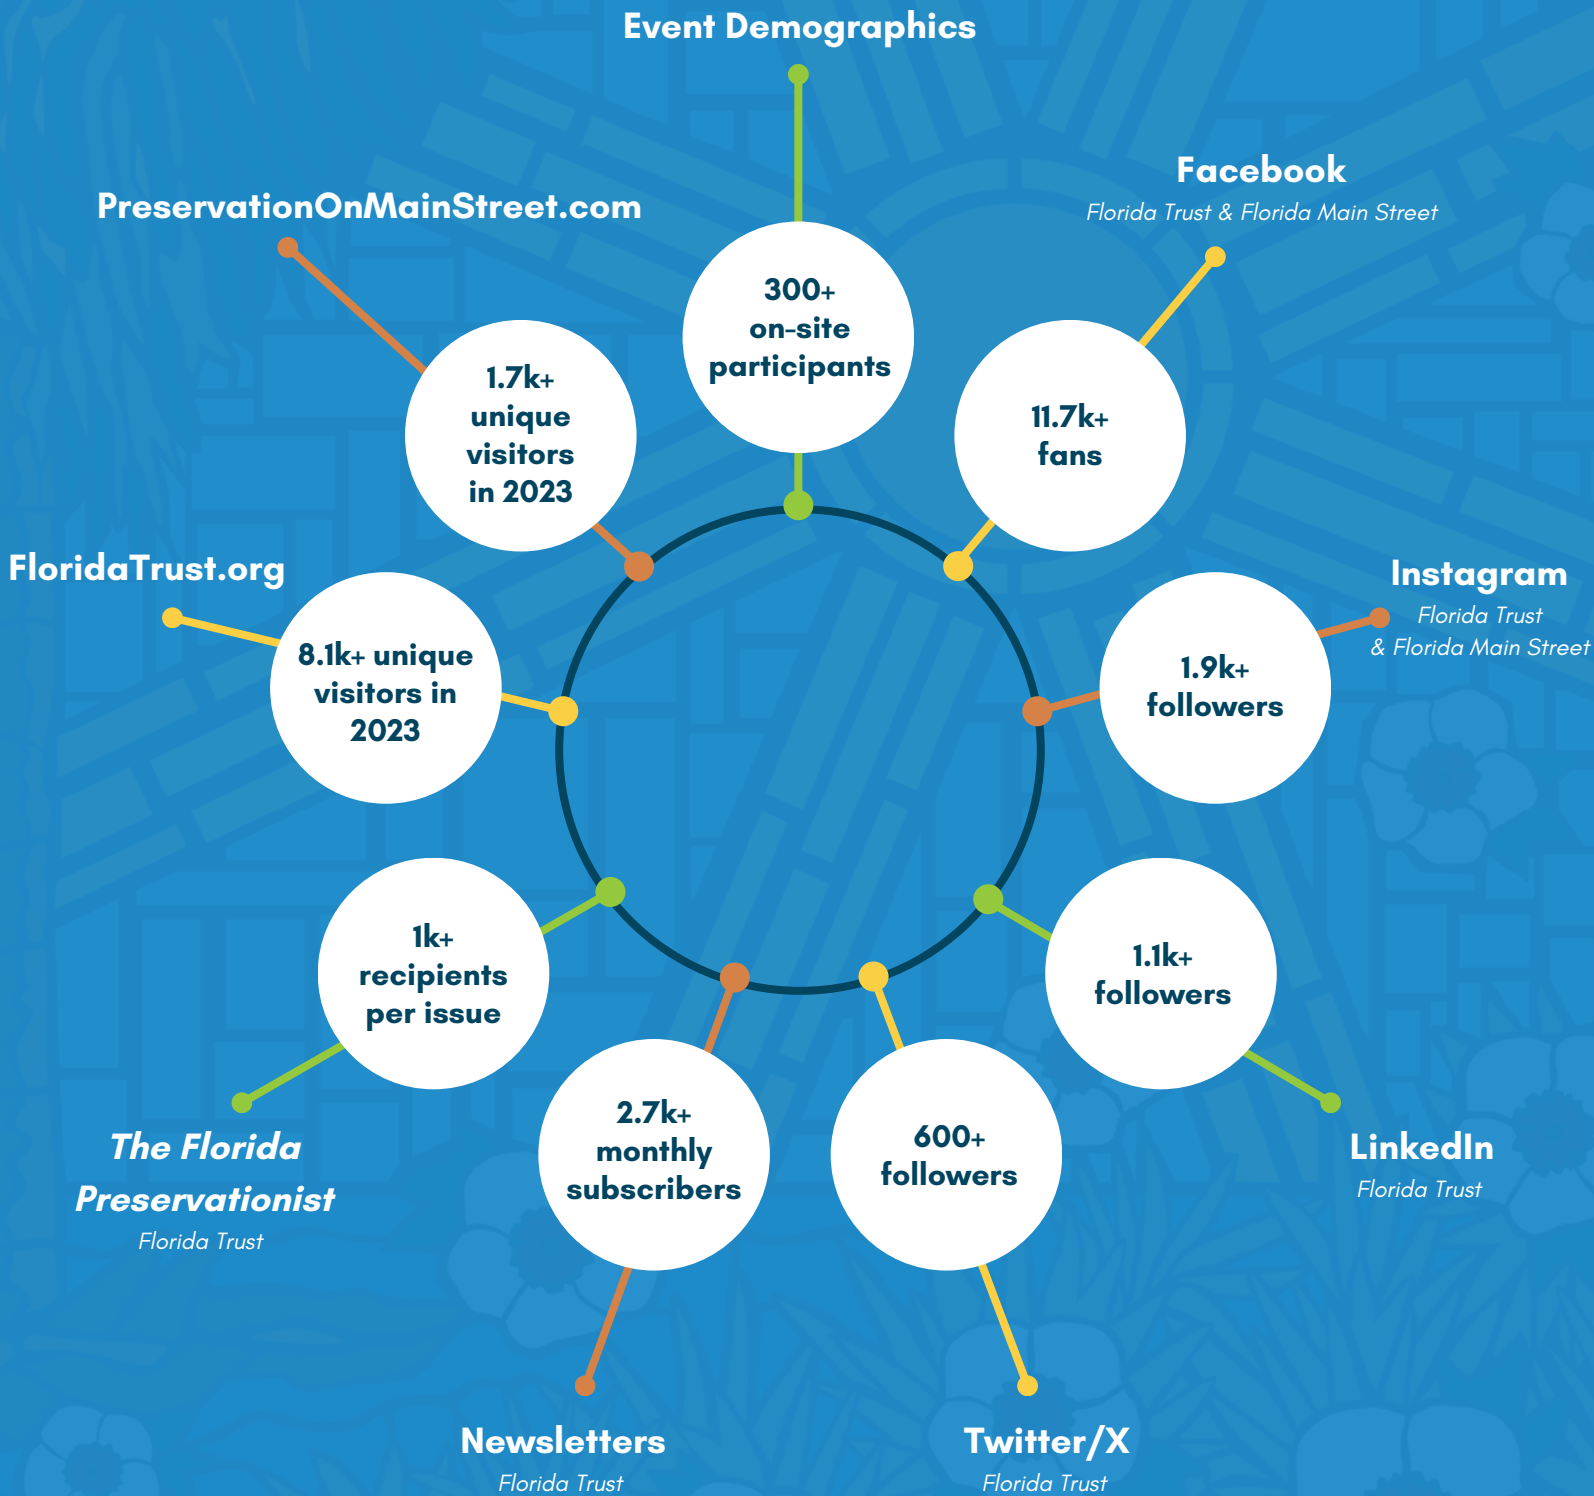

Hosted in a different Main Street each year, Preservation on Main Street is a meeting point for small business owners, community leaders, architects, planners, scholars and the public to connect, exchange ideas, participate in educational sessions and workshops and enjoy special tours.

Why sponsor?

Don't miss the opportunity to highlight your business and expand your market by networking with over 150 Florida Main Street executives and Florida Trust for Historic Preservation professionals (architects, nonprofit organizations, engineers, developers, city and county planners, contractors, and students).

As a conference sponsor your investment will help efforts to preserve Florida's history and heritage in addition to equipping downtown revitalization professionals, boards of directors, municipal staff and other experts with the necessary tools to bring their organization and community to the next level.
